### **Rooted in Christ**

Each year the Diocese of Covington sponsors the Respect Life Eighth Grade Essay Contest. This year the students could choose one of two topics on which to write their essays. The themes were:

1. What can I do as a young person to help build the culture of life and not support the culture of death? In what areas of pro-life can I make an immediate impact personally and for the church, my country, and the world?
2. Why do we support adult stem cell research and oppose embryonic stem cell research? Explain why the Catholic Church must safeguard human life and human dignity in stem cell research.

Congratulations to the following students whose essays were selected as finalists from the school to be submitted to the diocesan competition: Julie Macke, Stephanie Hacker, Jenna Eby, Abby Zimmerman, Neal Stansel, Holly Birrer, Jason Kinn, Brennan Mullen, Maggie Hackman, Lanie Boehmer, Fran Herbe, Maddie Tierney, Nathan Wichmann, C.J. Moellering, and Kylie Colvin.

### **Thanksgiving Greetings**

At this time of year we all think about the gifts that we have received and the many people who we have in our lives. The staff and I would like to thank all our parents for their continued support. St. Joseph School would not be able to operate without all the parents who do so much for us. We wish all of you a very Happy Thanksgiving!

### **Junior Fire Marshall Poster Contest**

Congratulations to Emily Futscher, a fifth grader, who was selected as a winner in this year's Junior Fire Marshall Poster Contest! Emily and her parents have been invited to an Awards Ceremony to be held tonight at Newport on the Levee.

Dear Parents,

The Christmas Holidays are approaching quickly and once again we would like to ask your help in showing our appreciation to our pastor and all the teachers and staff at St. Joseph School. We are counting on your generosity in making a donation toward Christmas gifts. The money collected from all families will be divided and used to purchase gift certificates for our pastor and each teacher including teacher aides, music teacher, physical education teacher, etc. A Christmas card will be taken to each classroom to be signed by the children. At this time they will be told which gift certificates their teacher will be receiving.

We hope that this will save you the time and energy normally spent in purchasing individual gifts. In the past some children did still give their homeroom teacher a small gift; however, this is not really necessary, as the teachers do understand that their "wish list" gift is made possible through the generosity of their students and students' families.

While we do not want to ask for a specific amount from each family, we suggest that you consider the amount you might normally spend as a family in purchasing teachers' gifts and send this to school in an envelope marked "TEACHERS." You may enclose cash or a check made payable to St. Joseph School. Your child may send the envelope to the office in his/her homeroom's message envelope. We ask that all contributions be turned in by December 4 so that our committee will know how much money is available for each gift.

We thank you in advance for your generosity.

Sincerely,

Lisa Beck  
Room Mother Coordinator

## **U.S. House Keeps Abortion Funding Out of Health Care Reform**

### **Tell Senators: Follow the House's Lead on Removing Abortion Funding**

**Protect Conscience Rights**

**Ensure Affordable Health Coverage**

**Allow Immigrants to Purchase Private Health Insurance**

As long-time advocates of health care reform, the U.S. Catholic bishops continue to make the moral case for genuine health care reform that will protect the life, dignity, consciences and health of all, especially the poor and vulnerable.

- On November 7, the U.S. House of Representatives passed major health care reform that reaffirms the essential, longstanding and widely supported policy against using federal funds for elective abortion coverage.
- It is critical that the Senate adopt the House-approved Stupak Amendment language on this issue. This Amendment ensures that Americans are not forced to pay for the destruction of unborn children as part of needed health care reform.
- The Senate must address other essential moral priorities: protecting conscience rights; making health coverage more affordable and accessible for those in need; and ensuring that immigrants do not lose or will not be denied health care coverage needed for the good of their families and the health of society.

**ACTION:** Contact Senate and House Members through e-mail, phone calls or FAX letters.

- **To send a pre-written, instant e-mail to Congress go to [www.usccb.org/action](http://www.usccb.org/action).**
- Call the U.S. Capitol switchboard at: 202-224-3121, or call your Members' local offices. Full contact info can be found on Members' web sites at [www.house.gov](http://www.house.gov) & [www.senate.gov](http://www.senate.gov).

**MESSAGE—SENATE:**

“Please adopt the House-approved Stupak Amendment that upholds longstanding policies against abortion funding, and please protect conscience rights in health care reform. Health care must be made more affordable and accessible to those in need, and immigrants must not lose or be denied health care coverage.”

**MESSAGE—HOUSE:**

“I am pleased that the House-passed health care reform bill maintains the longstanding policy against federal funding of abortion. Please work to ensure that this essential provision is included in any final bill sent to the President.”

**WHEN:** The Senate schedule is uncertain. **Act today! Thank you!**
