2024-2025 Payment Plan Options

(Payment plans are open now for new and returning families. The profiles for returning families have been rolled from the 2023-2024 school year. If using a credit card, please verify the **expiration date** on your card. If you have changed bank accounts, please supply corrected information.)

More Questions and Answers

Who needs to sign up?

Everyone! In order to maintain one tuition billing system, we need all families, regardless of payment plan, to register with FACTS Management. A family will not be considered registered for 2024-2025 until enrollment in FACTS Management is complete. New families should enter their family information by May 19, 2024, and returning families should verify their account information before the first scheduled payment date on their selected payment plan. Deadlines for payment plans begin May 19, 2024, depending upon which payment plan is selected. Please review the information on the sheet entitled "Payment Plan Options".

Does it cost anything to register?

Yes, and no. If a family is entering a payment plan that is anything other than a one-time payment, there is a fee. All monthly payment plans whether for 10 months or 12 months will be assessed an enrollment fee which is an administrative fee collected by FACTS for the program. This fee does not come back to St. Joseph School.

The only plan not requiring an enrollment fee is the single upfront payment. And, if you register for an upfront plan by May 26, 2024, there is a \$100 discount for tuition for grades K - 8. (There is no discount for Pre-School.) All upfront payments must be made by June 30, 2024.

Please review the information on the sheet entitled "Payment Plan Options".

How do I access the FACTS site for St. Joseph School?

Go online to: <https://online.factsmgt.com/signin/3WH0N> (Please note the "0" is numeric.)

Are the fees the same as last year?

Yes. If you sign up for a monthly plan in the FACTS Management system, a fee is assessed which goes to the FACTS Management system. The one-payment plan is free of enrollment charges.

How do families apply for financial aid?

The financial aid application is found on the same enrollment site for FACTS Management under the tab "Grant & Aid". The application was made available earlier this year. The fee for the application is \$40.

What is the deadline for financial aid applications?

May 3, 2024.

To whom do I talk if I ever have any payment problems?

Even though the FACTS Management Customer Care Representatives are always available as part of this service, the St. Joseph Parish office is also always available to families to help in creating solutions to any problems that arise. Please feel free to contact our Business Manager, Mrs. Kristin Maly, at the parish office at 859.341.6609 ext 4011 or by email at kmaly@stjosephcsky.org.
